INTRODUCTION TO DEFENCE: February 21st and 28th, 9:30 am to noon

At the bridge table you spend 25% of the time being declarer, 25% being dummy and 50% defending! Defence is the most exciting part of the game.

Knowing how to communicate with your partner can be such a rewarding experience. A great way to have the opponents fear you! Over the two lessons you will be introduced to some of the basic concepts of defending: choosing an opening lead, signalling to partner, discarding and much more. The lessons are hands on. You will play many hands.

PRICE – \$85.00. Price includes taxes and handouts.
