- Defending deceptively

...and 22 other important tactics to help you defend better

\$21.95 CAD

Customer Reviews:

"If you only buy one bridge book, buy this one"
"I didn't understand the concept of defense until I read this book"

Bridge Professionals' Review:

"Understandable for the accomplished player as well as someone trying to learn the game and everyone in between"
"Although I've played for more than 20 years and taught bridge for most of them, this book actually changed my game"

25 Ways to Compete in the Bidding

Content covers:

- Overcalling
- Bidding over preempts
- The law of total tricks
- Balancing principles

...and 21 other essential strategies to improve your ability to compete in the bridge auction.

\$19.95 CAD

Customer Reviews:

"After reading this book, I think I am a force to be reckoned with in a bridge auction"
"Everything nobody told me about bridge is in this book"

Bridge Professionals' Review:

"This is not just a book for novice bridge players or even solid intermediates. Any student of the game will benefit from reading it."
"This is the most complex area of bridge bidding, and has never up to now been dealt with comprehensively in a book that is understandable for non-experts."

Pocket Guide to Bridge

- Opening the Bidding in a suit
 - Opening in NoTrump
- Responding to your partner
 - Overcalling
 - Weak Openings
 - Strong Hands
- Scoring...and more

\$10.00 CAD

EVERY bridge player should have this pocket guide!

- Planning a Suit Contract
- Planning a NoTrump Contract
- Adding clever moves to your plan

Book of the Year 2010

\$22.95 CAD

Is this book for you?

Does your mind go blank when you first see the Dummy go down on the table?

Have you heard people suggest you make a plan at Trick 1 and wonder how to do that?

Do you know when to pull the trump and when not to?

Do you consistently make one trick less than everyone else and wonder what they are doing that you are not?

*Declarer Play at Bridge: A Quiz Book

This book is divided into two parts:

- Suit Contracts
- NoTrump Contract

\$15.00 CAD

Is this book for you?

Do you know how to count losers?

Do you understand how to count winning tricks?

Do you fully grasp the concept of ruffing, finessing, discarding losers?

Do you know how to hold up a stopper?

*Defensive Play at Bridge: A Quiz Book

This book is divided into three parts:

- Basics of Defense
- Defending against NoTrump
- Defending against Suit Contracts

\$15.95 CAD

Is this book for you?

Are you often wondering which card to play?

Do you know how to kill declarer's communications?

Do you know what to do in second or third seat?

Are you still not certain how to properly signal and discard?
