
SUN, SEA & SLAMS 2021

BARBADOS

31st Annual Bridge Event

WIN GOLD POINTS

We want to tell you about our annual bridge event held on the island of Barbados. Next year: Jan 31-Feb 7, 2021.

The island has a wonderful Prime Minister, Mia Mottley, who has been lauded by all and is revered for her handling of the Covid-19 crisis on the island. She has been interviewed on BBC, CNN and other news media. At time of writing, there are only 8 active cases on the island, all visitors, and they are all in quarantine.

Alex and I feel so sure that the island is safe that we are spending four months there this winter. We have cancelled Florida and Mexico and we are truly broken-hearted about those but 2022, we'll be back there.

ACBL has cancelled all tournaments until at least the end of February BUT they are making an exception and allowing us to hold our annual Sun Sea and Slams event because Barbados is NOT in the same category as North America and the rest of the world re. Covid.

The hotel and the Bridge event will be diligent about spacing and we will all wear masks. Lots of hand sanitizer also. We plan to use two floors for playing area and there are many other improvements. Alex and I have shipped down our personal bidding boxes so everyone can carry around their own each day, versus boxes attached to tables.

The BEST part though that, while 75% of the master points you win will be black, 25% of ALL points that you win will be GOLD. No section tops or overall placements needed...just any points you win...25% will be converted to gold.

Americans...because you are travelling from a high-risk country, you will be in quarantine for 7 days after arriving on the island. At a different hotel. You then MUST be re-tested on the island at your expense (\$150.00 USD) ...SOME places are free of charge for the test. You can request to be in quarantine at Sunbay Hotel which is a quarantine hotel across the street from Barbados Beach Club (Host hotel). So you would need to come at least a week early.

Canadians: No quarantine because you are coming from a medium risk country. But you have to be re-tested in 7 days. Also at your expense or go to one of the free centres to be tested. .

Protocols change all the time but that is the situation as it stands now. AND everyone must show proof of having a Covid test done within 72 hours of arrival on the island and you bring test results with you.

Booking is done through the hotel this time. See below for all details and please see the end of the ad for all the Covid details spelled out. A credit card is given to the hotel at time of booking but if you **cancel 15 days prior, there is no penalty**. If you cancel within 14 days, then your credit card will be charged a 3-night penalty.

Contact Roglyn Hinds Tournament chair roglynhinds@gmail.com or 246-231-0149 if you have any questions.

I know this sounds complicated but we all want to be safe. I want you to focus on lovely breezes, the sound of the waves, blue sky and the beach and decide that this holiday will be worth a bit of fuss. The weather is wonderful 98% of the time on the island.

If you have questions, feel free to email me also. A huge amount of effort is being expended to make this all work well so I am hoping to see lots of you. It will be so great to be able to see real people in real time.

Please watch this video of the island performed by Sir Emile Straker of the famous group, The Merryman.

We all grew up dancing and partying to their music on the island.

Alex and I will be in Barbados for 4 months starting Dec 10. We will attend the tournament and stay at the hotel. I will be teaching two seminars on Monday and Tuesday afternoon during the event.

Please join us, you will love it and we will all have fun. More details follow...

*There is no significance to the names Pelau Pairs, Rum Pairs, Lady Burton Pairs etc:
It is just a designation to distinguish one event from another.
Average cost per session is \$15.00 - \$ 16.00 USD.*

I was born and raised on this beautiful island in the Caribbean. The Barbados Bridge Committee do a wonderful job running this delightful bridge tournament in February each year.

Imagine \$1,120.USD per person to spend a week at a hotel on a beach in Barbados in February, including all meals and drinks. They even pick you up at the airport! The players are friendly, the sun shines forever and the island beckons. You cannot afford to not go! It is a very special island and I invite you to visit and enjoy all its magic.

COVID-19 PROTOCOLS NOTE THAT THESE CHANGE REGULARLY

The island has a wonderful Prime Minister, Mia Mottley, who has been lauded and is revered for her handling of the Covid-19 crisis on the island. She has been interviewed on BBC, CNN and other news media. At time of writing (16 Sep, 2020), there are 8 active cases on the island, all visitors, and all in quarantine.

www.barbadostravelprotocols.com

or call 1-246-536-4500 24 hour hotline for updates

(It may be hard to understand the accents of those manning the hotline. I would recommend websites versus telephoning)

On arrival on the island, all visitors must arrive with proof that they have had a Covid-19 test completed (and that it is negative) within 72 hours of arrival on the island.

Visitors from high-risk countries, e.g. USA (at time of writing), must arrive on island with certificate of testing AND enter a specified Quarantine hotel. (You may choose and hotel is at visitor's expense). They will have their temperature checked daily and after one week, they must have another Covid test (approx.. \$150.00 USD (at visitor's expense) or attend a free centre for being tested.

(Note that Sunbay Hotel across from Barbados Beach Club is designated a Quarantine Hotel). Without taking that second test, visitors from high-risk countries are required to be in quarantine for two weeks.

Visitors from medium-risk countries e.g. Canada (at time of writing) must arrive on island with certificate of testing and then check their own temperature daily (or twice daily) BUT are NOT quarantined. But they must be re-tested after 7 days.

Visitors fill in form a day before arrival on the island www.travelform.gov.bb

Yes, it is all a bit complicated but I know you want us all to be safe and we are all so pleased that Barbados is working around the clock to enforce these protocols so that none of us will be exposed to risk.
