BARBARA SEAGRAM'S PLAY IT SAFE

Boost Your Bridge Game with Smarter Strategies!

At rubber bridge or teams scoring, declarer's objective is to make his contract - nothing else matters. Playing it safe is of vital importance. Yet playing safe can take many forms - it might involve simply choosing the best percentage

line of play, or keeping one opponent off lead, preserving entries, or even giving up a trick you don't have to lose, all in the cause of bringing that contract home securely. Recognizing all these situations, and knowing what to do when you encounter them, will improve your bridge scores by leaps and bounds.

ESSENTIAL BRIDGE LEARNING: BASICS, INTERMEDIATE 1, AND INTERMEDIATE 2

These three books form the cornerstone of bridge education and are widely used in classes. Each book is written with clear lessons, practical examples, and exercises to ensure students can apply what they learn at the table.

- Bridge Basics lays the groundwork for new players, covering key

topics like hand evaluation, bidding fundamentals, and essential conventions like Stayman and Jacoby Transfers. It's the perfect starting point for anyone eager to understand the structure and strategy of the game.

- Intermediate 1 builds on these foundations, introducing more complex hand evaluations, planning declarer play, competitive bidding situations, and techniques like finesse, unblocking, and safe hand plays in no-trump contracts.

- Intermediate 2 takes players to the next level, going right into advanced bidding strategies like slam conventions, pre-empt, and balancing. It also introduces the fundamentals of defensive play, including opening leads, defensive signals, and strategic planning.

\$20.00 USD / \$20.00 CAD each book

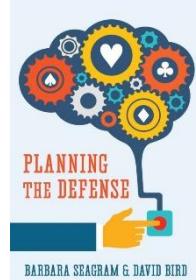

PLANNING THE PLAY: THE NEXT LEVEL

Barbara's first book in this acclaimed series, co-authored by David Bird, introduced the fundamentals of declarer play. It was celebrated as the Book of the Year by the American Bridge Teachers' Association.

This sequel builds on that foundation, delving into more advanced topics such as safety plays, avoidance play, trump control, dummy reversal, and endplays. Perfect for players who have mastered the basics and are eager to elevate their declarer play skills. This book is not just an instructional guide; it's a comprehensive resource for bridging the gap between beginner and intermediate levels.

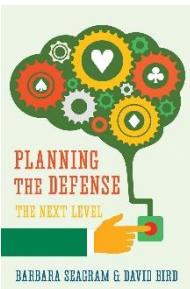

\$21.95 USD / \$27.95 CAD

PLANNING THE DEFENSE (2019)

Ten years after their groundbreaking *Planning the Play of a Bridge Hand*, Barbara Seagram and David Bird turned their attention to defense, arguably the most challenging aspect of bridge. Using their signature step-by-step approach, they expertly navigate topics like signaling, crafting a defensive plan, and analyzing points, tricks, and distribution. Whether you're just starting out in defense or looking to refine your skills, this book is an indispensable guide. Every deal ends with a condensed version of the defensive plan that you should make. The end-of-chapter 'Remember these points' section is followed by several quiz questions on the topic.

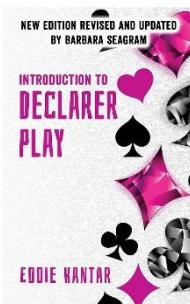

\$20.00 USD / \$25.00 CAD

PLANNING THE DEFENSE: THE NEXT LEVEL (PART 2 ADVANCED)

This advanced companion to *Planning the Defense* takes readers even deeper into the complexities of defensive play. Barbara Seagram and David Bird provide nuanced guidance on signaling and defensive strategies while reinforcing core principles like counting points, tricks, and distributions. Ideal for those ready to tackle the intricacies of advanced defense, this book is a natural progression for players aiming to master their game.

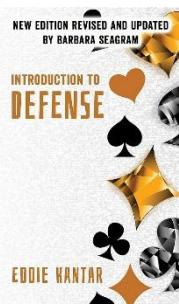

\$20.00 USD / \$25.00 CAD

INTRODUCTION TO DECLARER'S PLAY

Completely revised by Barbara Seagram in 2019, this modern update of Eddie Kantar's timeless classic brings fresh clarity and relevance to declarer play. With its signature mix of humor, skillful teaching, and accessible writing, this book remains a favorite for players of all levels. After over fifty years, it continues to shine as a must-have resource for understanding the art of declarer play, enhanced by modern methods of play and bridge education.

\$17.95 USD / \$19.95 CAD

INTRODUCTION TO DEFENSE

Also revised by Barbara Seagram in 2019, this Eddie Kantar classic breaks down defensive card play into manageable lessons. From third-hand play and second-hand play to defensive signaling (which feels like cheating—but isn't!), this book covers it all. With its engaging and practical teaching style, it remains one of the most trusted resources for learning and mastering defense.
