

In Memory of CAROLYN HEYN

On Monday May 6th and Tuesday May 7th, Joan Johnson ran two bridge games in honor of Carolyn Heyn, who died earlier this year. These games were in memory of a wonderful bridge teacher, a good friend to many, and an amazing, fantastic lady. Carolyn loved the charity, that Barbara Seagram and Patti Lee started, to assist the children of Cambodia to get educated and to learn good sanitation habits. It also helps village families by supplying families with toilets, and helping the adults to learn new skills and thereby to get jobs.

Joan & Carolyn

Together, Carolyn and Joan had run a fundraiser in May, 2018 to raise money for this charity; at that time, they raised over \$12,000USD a huge amount of money. Knowing Carolyn's love for the Cambodian projects, Joan suggested that anyone, who wanted to, might contribute to this good cause.

And so many people responded with donations. The total is now over \$4,200 USD.

Money goes a long way in Cambodia. \$4,200 USD represents 1/8 of all the costs to support all 4 schools and over 600 students for a full year ... **OR** ... it means that 7 families will each have a good, safe, private toilet.

As Joan said, "Carolyn will be looking down from heaven with a big smile on her face".

Learning Proper Handwashing

We will miss Carolyn, but we will honor her memory with these funds. Thank you all so much.

With gratitude

Patti Lee and Barbara Seagram
